

High Spatial Resolution Commercial Imagery Workshop

November 8-10, 2004

4th Annual High Spatial Resolution Commercial Imagery Workshop

**Sponsored by the
Joint Agency Commercial Imagery
Evaluation (JACIE) Team**

**USGS National Center
Reston, VA**

High Spatial Resolution Commercial Imagery Workshop

November 8-10, 2004

General Session Overview

Gregory L. Stensaas

USGS Systems Characterization Manager

(605) 594-2569

stensaas@usgs.gov

USGS EROS Data Center

Sioux Falls, SD

High Spatial Resolution Commercial Imagery Workshop

November 8-10, 2004

JACIE Background and Objectives

- JACIE team formed in 2000
 - National Aeronautics and Space Administration (NASA), National Geo-spatial Intelligence Agency (NGA), and U.S. Geological Survey (USGS)
 - Annual workshops and documented reports
 - ◆ Special journal reports and USGS Open file reports
 - Perform commercial system assessments to meet requirements and leverage each agency's expertise
 - Support Commercial Remote Sensing Space Policy
 - ◆ Improve communication with industry, both vendors and users
 - ◆ Support research and science applications
 - ◆ Cost efficiencies establish by both Government and industry
 - ◆ Productive calibration and validation support and reduced duplication of effort

High Spatial Resolution Commercial Imagery Workshop

November 8-10, 2004

Logistics and Agenda

- Facilities – food and drink, restrooms, phones and contact information, cafeteria
- Security – Badges required, escort required outside of conference area
- Proceedings – make sure your contact information is correct
- Poster session area - Review anytime; specifically session set up for 5:00pm Monday
- No Host dinner scheduled for Tuesday evening

High Spatial Resolution Commercial Imagery Workshop

November 8-10, 2004

Agenda

- **GENERAL OVERVIEW SESSION - Monday Nov. 8, 9:00am – 12:00pm**
- **IMAGE QUALITY SESSION - Monday Nov. 8, 12:25am – 3:30pm**
- **GEOPOSITIONAL ACCURACY SESSION - Monday Nov. 8, 12:25am – Tuesday Nov 9, 9:30am**
- **RADIOMETRIC ACCURACY SESSION - Tuesday Nov 9, 9:30am – 11:35am**
- **RESEARCH AND APPLICATIONS SESSION - Tuesday Nov. 8, 11:35am – Wednesday Nov 10, 12:00pm**
- **Questions and feedback**
 - **JACIE – Tom Stanley (NASA), Greg Stensaas (USGS), Terry Lehman (NGA)**
 - **Session Chairs - Mary Pagnutti (NASA), Mike Duncan (USGS), Vicki Zanoni (NASA), Spencer Roylance (NGA)**
