

USGS Commercial Remote Sensing Data Contracts (CRSDC)

**U.S. Department of the Interior
U.S. Geological Survey**

Purpose of this Briefing

To provide information about a contract vehicle available to USGS and other Federal agency partners for the procurement of commercially available remotely sensed data

CRSDC Facts

- These contracts are tools for meeting the geospatial data needs of the USGS, other Federal, State, and Local governmental entities
- The contracts allow access to commercially available data from both airborne and satellite platforms
- These are Commercial Item IDIQ three year contracts
- Broad licensing is emphasized

CRSDC - Aerial

- **Negotiations/Awards - Completed**
 - **Three contracts were signed in FY2003 for delivery of off-the-shelf airborne orthophoto type data**
 - **The three vendors under contract are; Aerials Express LLC, GlobeXplorer LLC, and AirPhoto USA**
 - **Wide variety of license agreements available from all three vendors at competitive prices**
 - **One vendor under contract for elevation data – InterMap**

CRSDC - Aerial

■ Delivery Orders

- Twelve Metro areas acquired for Homeland Security – over 22,000 square miles
- Time required for delivery less than 2 weeks
- Unrestricted license with sunset clause

CRSDC Satellite

■ Negotiations/Awards - Completed

- Three contracts signed in June 2004
- The three vendors are Space Imaging, ORBIMAGE, and DigitalGlobe
- Prices are based on current commercial price list
- Contracts vary in terms of licensing, pricing, and discounts available
- Archive and New Tasking available

CRSDC – Space Imaging

■ Space Imaging

- www.spaceimaging.com
- Commercially available products
- Licensing - Single Organization through Non-Commercial Unrestricted

CRSDC - ORBIMAGE

■ ORBIMAGE

- www.orbimage.com
- Commercially available products
- Licensing - Single Organization through Federal Civil Premier

CRSDC –DigitalGlobe

■ DigitalGlobe

- www.digitalglobe.com
- Commercially available products
- Licensing – Single Organization through Civil Organization - negotiating new broader license

CRSDC - Satellite

- **Delivery Orders from 08/01/04 to 09/30/04**
 - **NPS – 27,600 sqkm AK national parks from SI - NCUNR license**
 - **FWS – 32,144 sqkm wetlands from SI - Single Org license**
 - **USDA - ResourceSat1 6m AWIFS data (through SI) - Single Org license**
 - **BLM Canyon of the Ancients from DG - single org license**

CRSDC Points of Contact

To access previously acquired imagery or request tasking for new data, please contact:
