

*5<sup>th</sup> Annual JACIE Workshop -  
Civil Commercial Imagery Evaluation*

**14-16 March 2006**

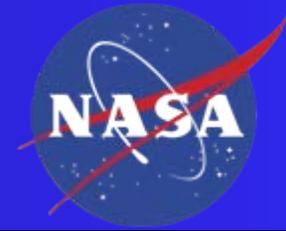

**5<sup>th</sup> Annual JACIE Workshop on Civil  
Commercial Imagery Evaluation and  
Application**

**Sponsored by the  
Joint Agency Commercial Imagery  
Evaluation (JACIE) Team**

**U.S. Fish & Wildlife Service  
National Wildlife Visitors Center  
Laurel, MD**

# *5<sup>th</sup> Annual IACIE Workshop - Civil Commercial Imagery Evaluation*

**14-16 March 2006**

## **Government Session Overview**

**Gregory L. Stensaas**

**USGS Systems Characterization Manager**

**(605) 594-2569**

**USGS Center for Earth Resources Observation and Science (EROS)**

**Sioux Falls, SD**

# 5<sup>th</sup> Annual JACIE Workshop - Civil Commercial Imagery Evaluation

14-16 March 2006

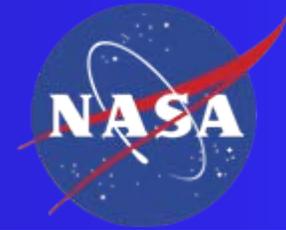

## Background and Objectives

- Joint Agency Commercial Image Evaluation (JACIE) team formed in 2000
  - National Aeronautics and Space Administration (NASA), National National Geo-spatial Intelligence Agency (NGA), and U.S. Geological Survey (USGS)
  - Annual workshops and documentation
  - Perform commercial system assessments to meet requirements and leverage each agency's expertise
- Support Commercial Remote Sensing Space Policy
  - Improve communication with industry, both vendors and users
  - Increases confidence in U.S. commercial sources in the marketplace
  - Support research and showcase science applications
  - Provides data quality assessment model

# 5<sup>th</sup> Annual JACIE Workshop - Civil Commercial Imagery Evaluation

14-16 March 2006

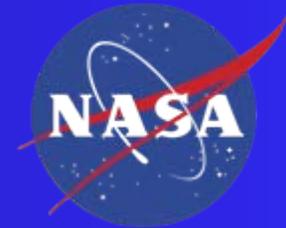

## Background and Objectives (cont.)

- Provides a model for government/industry cooperation
  - Good example for Global Earth Observing System of Systems (GEOSS)
  - Productive calibration and validation support and reduced duplication of effort
  - Cost efficiencies for both Government and industry
- The JACIE team is expanding
  - Commercial imagery use expanding by Government and Industry
  - National Oceanic & Atmospheric Administration (NOAA)
  - U.S. Department of Agriculture (USDA)
  - High Resolution Imagery market growing
  - Added Aerial Digital Imagery and Medium Resolution Satellite areas to JACIE Workshop
- CRS Requirements Database and Archive available on-line

# 5<sup>th</sup> Annual JACIE Workshop - Civil Commercial Imagery Evaluation

14-16 March 2006

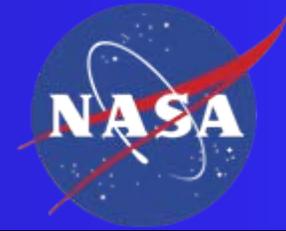

## Agenda

- **GOVERNMENT OVERVIEW – Tue. Mar. 14, 9:20am – 12:00pm**
  - Keynote Speaker – Dr. Sam Goward
- **INDUSTRY OVERVIEW – Tue. Mar. 14, 1:10pm - 3:45pm**
- **HIGH RESOLUTION SATELLITE – Wed. Mar. 15, 9:15am – 4:35pm**
- **MEDIUM RESOLUTION SATELLITE – Thurs. Mar. 16, 9:15am – 1:40pm**
- **AERIAL DIGITAL IMAGERY - Thurs. Mar. 16, 1:15pm – 4:40pm**
- **POSTER SESSION: Tue. Noon > setup; Tues. 3:45pm > Poster Session; Thurs. Noon > removal**
- **Questions and feedback - - JACIE Workshop Survey**
  - JACIE Chairs– Terry Lehman (NGA), Tom Stanley (NASA), Greg Stensaas (USGS)
  - Session Chairs: Mary Pagnutti (NASA), Jon Christopherson (USGS)
  - Conference Support Team – Bill Hughes, Karen Hoselle, Laura Pair, Mary Ann Iverson (USM/CSC)

# *5<sup>th</sup> Annual IACIE Workshop - Civil Commercial Imagery Evaluation*

**14-16 March 2006**

## Logistics

- Facilities – US F&WS available for questions
- Lunch and snacks will be provided on-site
- No Food and Drink outside of classroom area – if you eat outside bring trash back in
- Security – Sign up and Badges required
- Proceedings – Make sure your contact information is correct
- Paper and Poster approval forms must be turned in!
- Poster session area - Review anytime; specific session set up for 3:45pm Tuesday
- No Host dinner scheduled for Wednesday evening – Sign up!
