Meeting Candid Shots

Meeting Candid Shots

A composite image featuring a close-up of a person's eye and a view of Earth from space. The eye is on the right side, looking towards the left. The Earth is on the left side, showing a curved horizon and a blue and white surface. The background is a light, hazy grey.

Please Join us the last week of March for the
2011 JACIE Conference

MARK YOUR CALENDARS
and be watching for upcoming information.
