- Name(s) of Additional Author(s): \_\_\_\_\_
- Agency/Company Name and Address ("Employer"): \_\_\_\_\_

#### Warranties

The undersigned hereby warrants:

- The Work is UNCLASSIFIED and has been cleared and approved for public release by the appropriate company and/or government agencies;
- The Work is original with him/her as the Author of the Work and its publication will not infringe the rights of others;
- To the extent the Work incorporates passages, figures, data, significant excerpts, or other material from the works of others, the necessary permission has been obtained; and
- The conference organizers do not need the permission of any other party to publish the Work.

By consenting to the above terms, the conference organizers are granted an irrevocable, royalty-free, non-exclusive, world-wide license to reproduce, publicly distribute and display, and transmit the Work or portions thereof in any manner and through any medium now in existence or developed in the future, including but not limited to print, electronic and digital media, computerized retrieval systems, and other formats. The conference organizers may exercise these rights directly or by means of third-party information providers, including but not limited to third-party publishers and printers. The copyright owner retains ownership of the copyright and all rights not specifically granted to conference organizers herein. Nothing in this Agreement limits the copyright owner's right to reproduce, distribute, display, and transmit copies for personal, professional, or educational purposes or to publish all or part of the Work in subsequent works.

The undersigned consents to the above terms and represents that he/she has the power and authority to make and execute this authorization.
